for

Empanelment of Electronic Industries/Associations

to impart skill training within industry

Recruit-Train-Deploy Model

Under

Pradhan Mantri Kaushal Vikas Yojana (PMKVY 4.0)

The Electronics Sector Skills Council of India (ESSCI), an organization setup to provide skilled workforce for the ESDM Industry, ESSCI is a strong contributor to fulfilling the skilling needs of the vibrant ESDM sector in India. We work closely with industry, the National Skill Development Corporation (NSDC) and the Ministry of Skill Development, and our line Ministry of Electronics and IT (MeitY) to provide both skilling and re-skilling services to the industry. Over the years, we have successfully skilled over 1.8 million professionals for the ESDM industry and have a wide footprint across India.

The ultimate goal under this RTD initiative is to build skilled work force to cater to the specific job requirements of Electronic industries under the national mission of Skill India. The Industry/Association can directly partner with ESSCI and can build skilled work force as per their domain requirement for meeting their needs.

The salient features of the RTD model under PMKVY 4.0:

- Projects have the provision of recruiting the candidates and providing the offer letters and then providing Industry relevant induction training before deploying the candidates. For the specific purpose of RTD model, employment will mean wage employment only.
- ESSCI has developed 10 customized courses with High Employability with the course duration of 210 Hours (30 Hours of Domain Training, 90 Hours of Domain Practical and 90 Hours of training of Employability module), which may be used to impart skill training under the RTD mode. These job roles are approved by the National Council for Vocational Education and Training. Details about these customised Job Roles are attached as Annexure – II

- The candidate enrolment should be as per the capacity of the Training Centre on Skill India Portal (<https://skillindia.nsdcindia.org/>) and E-KYC would be done for the candidates.
- The Skill Training will be conducted within the industry premises.
- Post completion of the skill training, ESSCI will conduct the assessment & certification of the trainees and Skill India certification will be provided to the successful candidates.
- The skill training cost of Rs. 6000 per successful candidate will be paid to Industries/Associations as per the PMKVY 4.0 guidelines by ESSCI
- The duration of the programme is till May 31,2023. However, the enrolment may be completed by March 31, 2023.

Eligibility Criteria: Electronics Industry complying following criteria may submit their proposal at info@essc-india.org by 26th Feb,2023 in the prescribed format (Annexure – I) on the company letterhead with the interest to get empanelment with ESSCI for skill training and employment in RTD model under PMKVY 4.0. There is no fee for application.

- The organisation should be having well equipped classroom for theory sessions.
- The organisation should be having valid PAN, GST

Annexure – I (To be provided on the Company Letterhead)
